Sanko Lao Co., Ltd.

COMPANY PROFILE

VISION

Our Vision is to create the future with dream

MISSION

Our Mission is to contribute to create infrastructure for the development of comfortable and safe town while harmonizing with environment

OUR HISTORY

October, 2016

Sanko Lao Co., Ltd.

Lot No. 4 (Pakse-Japan SME SEZ) 11A,
Nonveng Village, Pathoumphone District,
Champasak Province,
Lao PDR

Registered Capital
U\$ 300,000

- Sanko Construction Co., Ltd. 70%
- Okayama Concrete Industry Co., Ltd. 30%

Business Description:

- Production & Sales of Ready-Mix Concrete
- Production & Sales of Precast Concrete Products

December, 2019

Sanko Concrete Lao Sole Co., Ltd.

Saysettha Development Zone Vientiane Capital,
Lao PDR (Nano Village, Saysettha District)

Registered Capital
U\$ 2,200,000

- Cothax Partners Co., Ltd. 100%

Business Description:

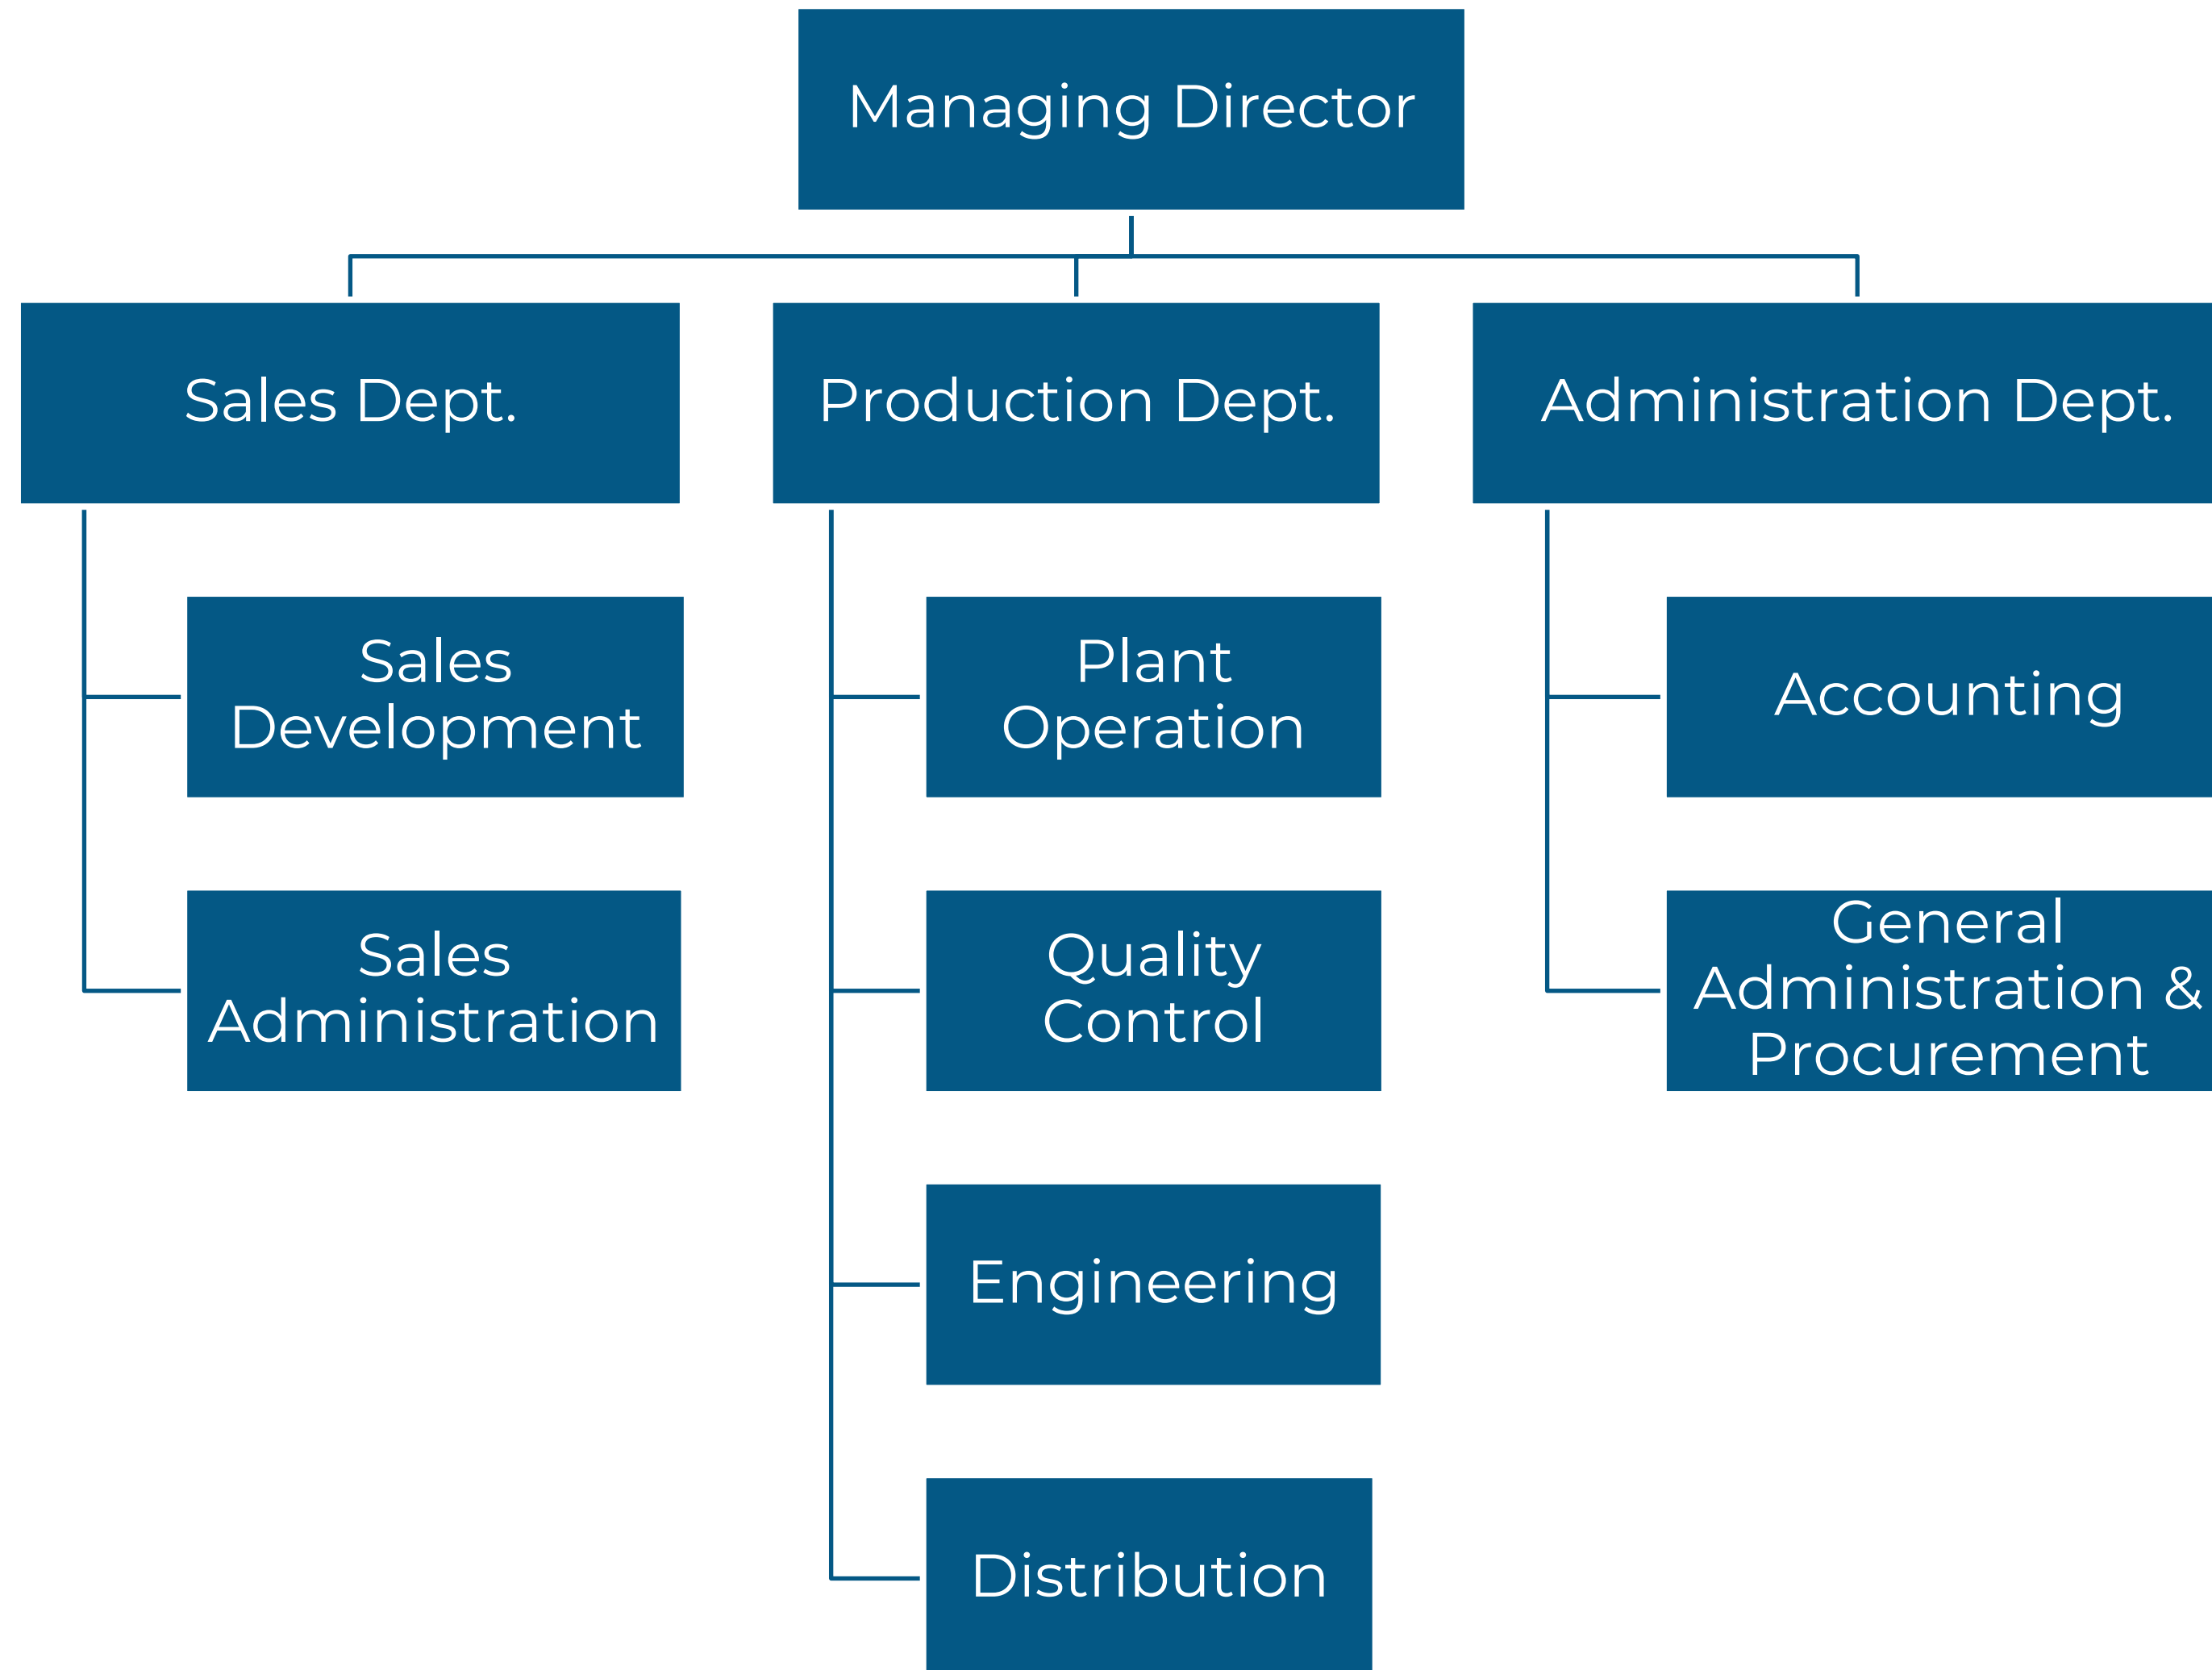

- Production & Sales of Ready-Mix Concrete
- Sales of Precast Concrete Products

ບໍລິສັດ ຊັງໂກ ຄອນກຼີດ ລາວ ຈຳກັດ

Sanko Concrete Lao Sole Co., Ltd.

ORGANIZATION CHART

COMPANY EQUIPMENT

Max. Production Capacity
2 Batching Machine
450m³/day

Mixer Truck
8M3 Capacity 12
3M3 Capacity 2

Pump Service is provided
by our contracted
specialists on request.

QUALITY CONTROL by using ASTM

- Slump and Strength test is conducted based on American Society of Testing Material (ASTM).
- Digital Compressor (Strength) which is certified and authorized by K Survey Design Road-Bridge and Testing Material Construction Sole Co., Ltd. is available.
- Apparatus to measure air content is available.
- Test report is provided on time to the customer.

ORGANIZATION CHART

THE ADVENTAGES of Precast Concrete

Precast Concrete is being used in construction sites all over the world.
Utilization of Precast Concrete has been rapidly spreading in Laos as well as other Asean Countries.

Because

Shorter Construction Period

Less Energy Consumption

Less Working Staff for Quality Control and Inspection

Superior Quality

More Environment Friendly

Safer Working Conditions

Precast Concrete Products

Mental Fence

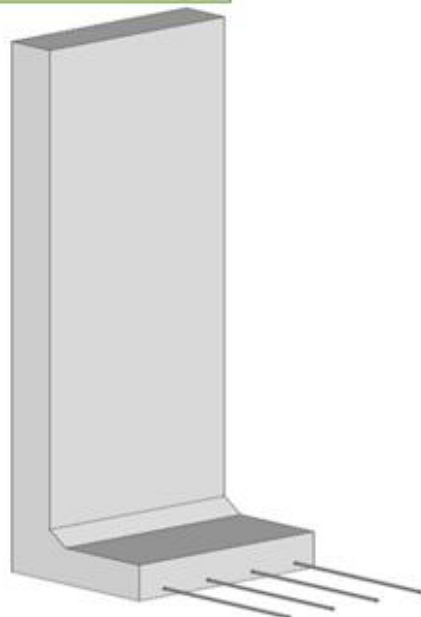

Gutter VS 800

Gutter U-Shape
